OPEN ACCESS POLICY STATEMENT

Peterborough City Council recognise that children have the right to have good access to good quality play and recreational opportunities and are committed to taking positive steps to ensure that this is the case. This Playcentre is provided by the Children's Services Department at Peterborough City Council for children between their 5th (and in school year 1) and their 14th birthday. Qualified play staff organise daily programmes of activities, providing materials and equipment for your child to access throughout the year.

The playcentre is run as an open access scheme, we offer play opportunities that can only ensure a minimum of 2 staff members are present on site. This may mean that your child could be unsupervised whilst on site and participating in the Playcentre's activities and during their time at the playcentre. Children cannot be confined to the Playcentre or its grounds or prevented from coming or going as they please. We are also not able to escort your children home. There may be occasions where the Playcentre must close earlier than advertised or children are asked to leave through bad behaviour. The Playcentre staff will make every effort to contact parents/carers to collect children. It is your responsibility to ensure we have correct and up to date contact details.

PLEASE REMEMBER THE PLAY OPPORTUNITY IS NOT A CARE SCHEME

OPEN ACCESS – Our service aims to be child centred, friendly, safe and fun so that children can play regardless of race, sex, religion, cultural background, physical and mental abilities. There is no cost for our service except for occasional trips or special projects.

If your child wishes to use the playcentre you will need to sign a registration form, providing details that may be used in an emergency. You may also be asked to provide proof of age such as a birth certificate. Any information will be kept in the strictest confidence. This will then allow your child to use the Playcentre as much as they like.

CHILDREN 5 (& in school year 1) TO 13 YEARS – We must emphasise that we are not providing sessional care. We believe that children can be particularly vulnerable and strongly recommend that you take every precaution to ensure their wellbeing before, after and during the session.

CHILDREN UNDER 5 (or not in school year 1) – We welcome children under the age of five (or not yet in school year 1) years if they are accompanied at all times by a parent, guardian, carer or a responsible adult over the age of 18 years.

Parents/Guardians/Carers that stay with their children at the Playcentre remain responsible for them whatever their age.

*****I Agree / Disagree for the Playcentre to use images of my child for publicity*****

I have read and accepted the conditions stated in this form, including the behavioural statement, and I understand the open access policy. I agree for my child to receive any emergency medical treatment or advice, as necessary, during the play session. If the centre staff have concerns about a child's welfare they must report these concerns to the appropriate agency (Children Act 1989).

The Playcentre is an open access site where precautions are taken to ensure the equipment and activities are safe, but which still carry an element of risk in their use.
