CONDITIONS OF THE RESIDENTS PARKING SCHEME

- The permit allows residents to park their vehicle in a residents bay, in the street/area/zone where they live, which would otherwise be prohibited.
- The permit must be displayed on the windscreen of the vehicle and can only be used on the vehicle(s) with the registration number(s) shown on the permit.
- If more than one registration number is shown on the permit, then it is your responsibility to ensure that the permit is displayed in the vehicle that is parked in the resident's bay.
- The permit does not guarantee the availability of a parking space.
- Resident permits are valid in Craig Street and Dickens Street car parks from 5.00pm to 8.00am ONLY.
- If you change your vehicle a valid permit must still be displayed. A replacement will be issued on production of the new vehicle registration document which must show your name and address. Please retain your existing permit and exchange it for the new one on collection. There is a charge of £5 for this service (unless waived by the Parking Services Manager).
- Stolen permits will be replaced on production of a crime reference number from the Police. Lost or damaged permits will only be replaced on payment of a £25.00 administration charge.
- If you move away from the area you must return your permit(s) to the Cash Office at Bayard Place.
- If you do not own but keep a vehicle under your 'care and control' you must produce the registration documentation and a letter from the registered keeper stating that you have permanent use of the vehicle.
- If you use a vehicle belonging to your employer you must produce a confirmation letter on company headed stationery stating that you are entitled to use the vehicle for business purposes.
- It is your responsibility to ensure you have a valid permit – renewal/reminder letters will **not** be sent.

All charges quoted were correct at the time this form was printed but are subject to change
