Peterborough Community Services

I'm Liz Carran and I am the Adult Education Project Manager, working for City College Peterborough, Peterborough Regional College and Adult Social Care.

My role is to build upon and improve the educational opportunities for adults with learning disabilities in the region. I also work with other colleagues to promote artistic, sports, social and work opportunities that are available in the in the local community.

I produce an Adult Education newsletter which comes out approximately every three months and includes a variety of topical articles, plus features of interest written by learners, the colleges, community events, dates for your diary and much more. Please contact me if you would like a copy.

If you can't either find what you want from this book, or have further comments or ideas, I would be happy to hear from you.

Pleased contact me by telephone by any of the numbers at the top of the page, or by e-mail on [liz.carren@peterboroughpct.nhs.uk](mailto:liz.carren@peterboroughpct.nhs.uk) or you can visit the Green Book website at [www.thegreenbook.btck.co.uk](http://www.thegreenbook.btck.co.uk) and use the 'Guestbook' facility.
