I'm Jacqui Murphy and I'm a Carers Lead.

I offer advice and support to carers, highlight carers issues and liaise with other organisations.

Carers groups that run at present are:-

Peterborough Learning Disability Carers Forum – this meets before the Learning Disability Partnership Board.

Crafty Carers – this is a fun group that meets every month to do craft work.

To join any of these groups, for more information, or to receive a newsletter please contact me on:
