

The Green Back Yard

The Green Back Yard
Rams Fairmeadow Allotment Site

London Road
Peterborough
01733 425075

The Green Backyard is a community growing project in central Peterborough run entirely by volunteers. From this urban base we are working to transform a once-derelict former allotment site into a beautiful and productive green space. We try to promote sustainable lifestyles and raise awareness of environmental issues through practical demonstration and community involvement. With regular workdays, events and activities we aim to bring people and communities across Peterborough together to be bit greener, healthier and happier.

Days

Sessions run Wednesday and Sunday 11.0 to 4.00 and are open to anyone who would like to find out more about the project. Please bring any support workers you may have with you for all visits to help in any assessment of your skills and needs.

Please note that currently the facility is not yet wheelchair accessible.
