What do we do?

- Help you to look for a job
- Help with applications and interviews
- Provide initial one to one Job Coach support
- Provide ongoing monitoring
- Training to use public transport to get to work
- Job Coach support for additional on the job training as and when required
- Support for you, your employer and colleges

What do you do to get a job?

To start you need to make a referral to us. You will receive a referral form to fill in and then a Job Coach will make contact with you.

What happens next?

We will visit you and carry out a short assessment of your skills, to help you to choose a job that you would like to do. We will then look for a job for you.

The type of jobs that we look for are voluntary, work experience places which help you understand what it is like to work and in some cases, paid work.

When you get a job

We will provide you with all the training you need, talk with your employer, carers or key worker about the job. A Job Coach will support you at your new job as well as help you with learning which bus you need to catch and the correct times so that you are not late.

What sort of job can we find?

We try to find work for you that you would like to do, but it is not always easy. The sorts of jobs we can find include shop work, gardening, childcare, cleaning and kitchen work.

How do you contact us?

Speak to your social worker, tutor, key worker or you can telephone us directly on 01733 746343 and ask for a referral form.
