

**SUMMARY OF COMMENTS AND RESPONSES TO THE DRAFT FORMER GREAT NORTHERN RAILWAY COTTAGES CONSERVATION AREA APPRAISAL (March – April 2006)**

- Resident

- a) Support the introduction of angular parking to footway in front of properties the the existing parallel parking.
- b) Replace trees to missing tree-beds, tackle signage to industrial estate and underground powerlines at the front of the cottages.
- c) Provide more public litter bins

Response

- a) The wide footway is outside the designated conservation area, although the Management Plan identifies the benefit of forming the informal parking into a formal lay-by. The suggestion for angular parking has been passed on to the Highway Authority for consideration.
- b) Identified in the Management Plan
- c) Request has been forwarded to Waste Management, Environmental Services

- Cross Keys Homes

- a) Support Appraisal and objectives of the Management Plan.

Response

- a) Noted

- Resident

Supports the Appraisal and future management.
