

## THORNEY CONSERVATION AREA APPRAISAL

### PROPOSALS MAP

- Conservation Area**      proposed extensions
  
- Strategic views**      to be maintained by keeping or creating gaps in planting
  
- Spatial organisation**      to be defined by tree planting, re-aligned pavements and verges and replacement street furniture
  
- Proposed Tree Planting**      diagrammatic

These proposals should be read in conjunction with the recommendations and enhancement proposals within this report and those contained in the Thorney Built Environment Audit. The Thorney Village Design Statement should also be taken as a point of reference.
