

The Fox & Vergette Collection

Collection Summary

Collection:	The Fox & Vergette Collection
Name of creator(s):	Fox & Vergette
Reference code:	PAS/VER
Dates:	1868-1980
Size of collection:	34 boxes
Creator's history:	<p>Fox & Vergette were Auctioneers and Valuers who were established in 1802. The firm was originally founded by Mr John Fox, senior, in Huntingdon, and he was followed by his son, John, who came to Peterborough some years after. In 1884 John Fox, junior, was joined by Mr Samuel Vergette and in 1888 Mr Charles Vergette joined the firm also. The business was strengthened further by Mr Edmund Beck being taken into partnership at the close of the war.</p> <p>During the 19th century and early part of the 20th century the majority of the City's business premises passed through their hands, either for sale, valuation or letting. Agricultural estates over a wide area were also surveyed, valued and sold by them.</p> <p>The firm moved offices from Narrow Street, opposite the 'Angel' Hotel, to Priestgate in 1923. They changed their name to Fox Vergette & Richardsons in Jan 1973, and shortened it to Vergettes from 2 June 1977. They remained in Priestgate until 1980, and what happened to the business after that date is unknown.</p> <p>For a newspaper article with photo, see microfilm of the Peterborough Advertiser 17 August 1923, p5. ('Old Firm goes round the corner')</p>
Archival history:	<p>The majority of this collection was donated to Peterborough City Council in 1993 by Halifax Property Services, with the exception of the posters which were donated by Jonathan G Fryer in October 2003.</p>

The Fox & Vergette Collection

Collection Summary Continued

Scope and content of collection:

These records, most of which cover the period 1911-1980, relate to the firm Fox & Vergette and other associated auctioneers and estate agents. The collection includes details of property sales and auctions and mainly covers Peterborough City with surrounding rural areas, but also neighbouring counties.

A comprehensive year by year index organised alphabetically by city street or parish is available in PAS/VER/3/71. This can be used to help you locate particular properties or plots of land as required.
