d. Comment on how these results compare with baseline/previous year's figures. Please give a reason for positive or negative trends:

2) Comment on any other changes occurring as a result of your travel plan (e.g. effect on pupils, situation at school gate, fewer complaints, etc.).

3) Comment on any changes to the school or local area which has affected travel to school (e.g. extended school provisions, new start/finish times, new housing or highways developments).

4) Comment on progress made against each of the targets in your school travel plan. Do your targets need updating?

5) Comment on progress made against each of the actions in your school travel plan. Does your action plan need updating? Do you need to add/remove any initiatives?

Please supply copies of any documents which will illustrate the initiatives undertaken this year. For example, minutes, newsletter articles, letters, leaflets, photos, pupil work, survey sheets or press cuttings.

6) Have you spent your capital grant? If so, what on? If not, when do you intend to spend it and what will you spend it on?

Please supply us with a photograph

7) Have you any suggestions on specific resources or support you would find it useful for the School Travel Plan team to provide?

8) Have you any comment on the service you have received from the School Travel Plan team?
