c) In the event of loss or damage rendering the plate or notice unserviceable the operator shall make immediate application for a replacement which a fee is payable.

d) The exemption notice issued by the council must be carried in the vehicle at all times and must be produced upon request to an authorised officer of the council or any police officer on request.

e) When issued an exemption notice, the vehicle will not be required to display door signs which the council require private hire vehicles to display.

f) When issued an exemption notice a taximeter must not be installed in the vehicle.

g) The operator will not display in, on or from the vehicle any advertisement, signage, logos or insignia advertising the operating company or the vehicle's status as a private hire vehicle.

h) The operator will not display in, on or from the vehicle any advertisement, signage, logos or insignia advertising third party companies, products or services.

i) During the period of the exemption notice the driver will not be required to wear a private hire drivers badge but must have it available for immediate inspection by an authorised officer of the council or any police officer on request.

j) During the period of exemption notice the driver of the vehicle whilst engaged on private hire work will be smartly dressed in either a formal chauffeur's uniform or business suit with collar and tie.

k) The operator will notify the council immediately of any change of use of the vehicle.

l) The vehicle must not be used for private hire purposes other than for executive use (i.e. not for "normal" airport journey's or daily private hire use).

However tinted windows can be fitted to the rear side and rear window glass of the vehicle as along as they are factory fitted, comply with current legislation and comply with any current private hire vehicle conditions.
