We want to develop effective and committed working relationships with suppliers and contractors in a variety of spending sectors.

If you have any questions about becoming a supplier, email commercialandprocurementunit@peterborough.gov.uk.

Procurement strategy

The council spends in excess of £200 million per year on procuring works, goods and services through a variety of procurement and contracting arrangements covering a wide and diverse spectrum of council functions.

This strategy will align to the council's customer strategy which is fundamental in the understanding of our customer and business needs that will shape the way we deliver our services as a commissioning led council.
