Introduction

Did you know that the council has to have a Children in Care Council and that they have to listen to you? Come along and have your voice and ideas heard. Join the Peterborough Children in Care Council.

If you would like to know the meeting dates or more information please email ciccouncil@peterborough.gov.uk.

'Children in Charge' Youth Club

We run a youth club for Children in Care between the ages of 8-14 years. The club meets once a fortnight and activities include art and crafts, baking and communication games.

For more information please email ciccouncil@peterborough.gov.uk.

Award Nominations

It's really important to us that we recognise the achievements of our young people in care and those leaving care. We have a number of ways to recognise their achievements.

Each year we hold two events (for different ages) to celebrate the achievements of Children and Young People in Care. This is a scheme to recognise and say 'well done' for real achievement for individual young people and all nominees are presented with a certificate.

We also have a monthly recognition scheme where young people can receive a letter from the Cabinet Member for Children's Services which recognises their achievement.

Who can be nominated?

Children and Young People in Care and Care Leavers, who have been looked after by Peterborough City Council and are happy to be nominated.

This is your opportunity to nominate a Child or Young Person in Care who you think has achieved something significant for them, in one or more of these categories.
