

You are here: > [Home](#) > [Health & Social Care](#) > [Adult Social Care](#) > [Adult Social Care Commissioning](#) > Peterborough Information Network

The Peterborough Online Care directory has been merged into the [Peterborough Information Network](#) (<http://fis.peterborough.gov.uk/kb5/peterborough/directory/home.page>)

If you provide services, activities or events, then by [please register](#) (<https://search3.openobjects.com/kb5/peterborough/directory/register.page>) to get listed on the site. This is a free service and you will be able to return and keep your listing up to date.

- > If you have never registered before you will need to complete a new provider record after you have registered.
- > If you have found your details on the Peterborough Information Network but don't have a log in, you will just need to register to obtain a login.

Using your account

Your account gives you access to securely add and update records that you submit to this website. Changes and additions submitted will be checked by our team before appearing live on the site to other users. We aim to process new updates as quickly as possible (within a few days of submission).
