

You are here: > [Home](#) > [Health & Social Care](#) > [Public Health](#) > National Child Measurement Programme

The National Child Measurement Programme (NCMP) measures the height and weight of children in reception class (aged 4 to 5) and year 6 (aged 10 to 11), to assess overweight and obesity levels in children within primary schools.

Please see below a report of NCMP results for Peterborough and Cambridgeshire for the period 2014/15 - 2016/17:
