Housing Delivery Test

Following the adoption of the Peterborough Local Plan (July 2019) the council requested that central government re-calculate the results of the [Housing Delivery Test](https://www.gov.uk/government/publications/housing-delivery-test-2018-measurement) (HDT) (at Febuaray 2019). The results are set out in the following document. This shows that the council's HDT result is 101% and therefore there is no requirement to prepare an action plan.
