Cambridgeshire and Peterborough are seeking views on their draft strategy for supporting children and young people with special educational needs and disabilities (SEND).

The strategy has been co-produced by professionals, parents, carers and young people from Cambridgeshire and Peterborough. It sets out how both local areas will work to support children, young people and their families with SEND in future.

It is built upon a shared belief that considering and providing for the needs of children and young people with SEND should be 'everyone's business', with the aim of providing high quality multi-agency services which will enable children and young people to thrive.

Have your say

Residents across Cambridgeshire and Peterborough are being asked to feedback on our draft SEND strategy aimed at supporting children and young people with special educational needs and disabilities.

You can read the full strategy and find out how to have your say on the [SEND Local Offer website](#).
