What is this about?

Peterborough City Council has a difficult financial situation to manage over the coming years and must make savings and increase income. Part of these savings could come from reducing the amount of financial help provided to residents on low incomes through the Council Tax Reduction Scheme.

In addition, the roll out of Universal Credit in the City has added a significant administrative burden on the Council which needs to be addressed.

Have your say

You can read the proposals in full and have your say by completing the Council Tax Reduction Scheme consultation questionnaire.
