

You are here: > [Home](#) > [Business](#) > [Licences and permits](#) > [Apply for a licence](#) > Petroleum licence

In order to run a business where petrol is stored for dispensing, you will require a petroleum licence. [Petroleum regulations](#) (<http://www.hse.gov.uk/fireandexplosion/petroleum-regulations-2014.pdf>) are outlined within the Health and Safety Executive website.

If you require a petroleum licence, please [contact the licensing team](#) to obtain the necessary forms.
