Consultation started: 27 Mar 2015 — Consultation ended: 24 Apr 2015

When will results be available: At the end of the consultation period

To meet the increasing need for special school places, the governors of Heltwate School and the City Council are proposing a one classroom extension.

The extension will be to the north east corner of the school and will involve the removal of the existing garage block. The school has many concerns about pupil safety with the traffic to the front and the shortage of parking spaces at busy times. A re-modelling of this area is also under consideration.

Any parents/carers of Heltwate pupils and members of the local community are invited to respond to this consultation by writing/emailing to the Chair of Governors, c/o Heltwate School, by Friday 24 April 2015.

If you have any queries, please contact assets@peterborough.gov.uk.
