We have a common housing register and a joint allocations policy which was agreed in partnership with ten housing associations who have accommodation in Peterborough, which forms the [Peterborough Homes Partnership \(http://www.peterborough-homes.com/projector/page/cbl-home\)](http://www.peterborough-homes.com/projector/page/cbl-home). We provide a single point of contact for people seeking social housing in Peterborough.

Please note: only applications who are aged over 55 will be accepted on to the housing register if they meet the criteria detailed in [bands 4 and 5](#). In addition, they will only be eligible to be considered for sheltered accommodation.

Join the housing register

If you would like to apply to join the housing register you will need to complete an application form and return it in person to the [Customer Services Centre in Bayard Place](#).

When you visit us, you will need to bring your completed application and all of the documentation requested within the form so that we can confirm you're eligible and correctly determine how your application should be prioritised on the register.
