Council tax rates 2019/20

We set the council tax by adding together the amounts needed by Peterborough City Council, the Police and Crime Commissioner for Cambridgeshire, Cambridgeshire and Peterborough Fire Authority and your parish council (if you have one). We collect the total tax on behalf of the other organisations.

Parishes all set the precept that they charge, which forms part of the total council tax for that area. If a parish council requires a precept in excess of £140,000 to fund its spending plans, it has a statutory duty to publish details of its expenditure.

Bretton parish council have exceeded this threshold and the detailed spending plan is shown below.
