Governors do need to be able to dedicate some time to their role, typically two evening governing body meetings a term, as well as being prepared to serve on at least one of the governing body's committees. We provide a training programme to help and support governors in learning about their role and responsibilities.

You can find out more about being a governor from the information leaflets below, or if you have any other questions you can email governor.development@peterborough.gov.uk or telephone 01733 863642.
