Consultation started: 2 Oct 2015 — Consultation ended: 28 Oct 2015

When will results be available: At the end of the consultation period

To meet the increasing demand for places at this popular and successful school, the St Michaels Governors and Peterborough City Council have agreed a programme to expand the school to an admission number of 60.

This will be achieved with a six classroom extension, additional hall, group rooms, nursery provision plus the reconfiguration of staff room and staff parking capacity.

The extension will be built on part of the school hard play and playing field, which will then be re-designed to ensure a full range of sporting activities is available.

The proposed plans and other information will be available for viewing at the school on Tuesday 13 October from 2.45 pm to 7.30pm.

Any parents/carers of St Michael's pupils and members of the local community are invited to respond to this consultation by writing to the Chair of Governors, c/o [St Michaels Church School](http://stmichaelschurchschool.co.uk/contact/) (<http://stmichaelschurchschool.co.uk/contact/>) by Wednesday 28th October 2015.
