## Why register?

You can also find more advice for disabled children on the [Local Offer website](https://fis.peterborough.gov.uk/kb5/peterborough/directory/localoffer.page?familychannel=8) (<https://fis.peterborough.gov.uk/kb5/peterborough/directory/localoffer.page?familychannel=8>).

By law we have to keep a register of children with disabilities living in Peterborough. The register helps us plan services for children with disabilities.

By registering your child, you will be made aware of specific support and leisure activities available in your local area. The [Families Information Service](http://fis.peterborough.gov.uk/kb5/peterborough/fds/home.page) (<http://fis.peterborough.gov.uk/kb5/peterborough/fds/home.page>) maintains the voluntary Disability Register for Peterborough.

The register also helps us to ensure parents have the most up to date information and to help plan future services.

You don't have to register your child with us if you don't want to,.

## Benefits of registering

- > your child's needs can be considered when decisions are made about where funds are used
- > you will be kept informed about support, activities or services

The register is completely voluntary and confidential of all children and young people aged 0 to 25 whose parents or carers have notified us of a disability or additional need that impacts on their day to day life.

This information is then used to determine where funding could be best used for optimum benefits.

To register please call the Families Information Service team on 01733 864446 or email [FIS@peterborough.gov.uk](mailto:FIS@peterborough.gov.uk) with the following information;

- > parent/carers name and address
- > daytime telephone number
- > child's name and date of birth
- > child's school or nursery
- > any medical diagnosis information
- > details on most significant needs.
