The 2015/16 Environmental Survey is designed to give people who live, work and play in the city, the chance to comment and make suggestions on how well as a council, in partnership with Amey, we are doing in keeping your community clean, safe and comfortable.

The results will be used to review how we can do things better in the future and what still needs to be addressed.

The survey closed on Monday 21 December and results have been displayed in early 2016.

Thank you for taking the time to complete the survey.
