

You are here: > [Home](#) > [Council](#) > [Planning and development](#) > [Planning permission](#) > Apply for planning or building regulations

Different types of application require different levels of information and supporting documents, depending on the nature and scale of development. You may apply online using the tool below, which guides you through exactly what is needed to complete your application for planning permission or building regulations approval. This is our local list of validation requirements.

If you are [unsure if you need planning permission \(https://www.planningportal.co.uk/info/200125/do\\_you\\_need\\_permission\)](https://www.planningportal.co.uk/info/200125/do_you_need_permission), please visit the Planning Portal site.

Select the type of application you want to submit from the menu below
